ATTACHMENT A

From on or about May 18, 2022, to on or about July 15, 2022, Federal Bureau of Investigation (FBI) McAllen Special Agent (SA) Christopher Krajovic participated in an investigation on a male known as Oscar Tanguma (TANGUMA). Agents learned through a Confidential Human Source (CHS) that TANGUMA utilizes his residence to cook crack cocaine and supplies multiple narcotics distributors with crack.

In May 05, 2022, FBI SAs learned of Oscar TANGUMA as part of an investigation to assist local law enforcement in the area of Edcouch, Texas. FBI SAs reviewed reports and conducted interviews with individuals who had personal knowledge of TANGUMA's illegal narcotics operations. FBI SAs learned that TANGUMA was recently released from federal prison and resides in Edcouch, Texas. SA learned that recently individuals had purchased an ounce of crack cocaine already cooked, from TANGUMA for \$850.00.

FBI SAs met with CHS, who had personal knowledge of the narcotics trade near Edcouch, Texas. CHS identified various individuals as the source of crack cocaine in the Edcouch, and La Villa area. CHS identified Oscar TANGUMA as an individual who lives in Edcouch and cooks crack cocaine and supplies crack houses.

On May 18, 2022, CHS made a recorded phone call under the direction of FBI SAs a local seller of narcotics to discuss purchasing crack cocaine. CHS met with the local seller while wearing a recording device. During this meeting, the local seller made a call to their source of supply, who was later identified as TANGUMA. Following this meeting, the CHS traveled to TANGUMAS residence near Edcouch, Texas. CHS and TANGUMA discussed several criminal matters. CHS paid TANGUMA \$300.00 for "7" of crack cocaine, which is seven grams of crack cocaine. CHS met with FBI SA's and submitted the seven grams of crack cocaine to them. SA's submitted crack cocaine into evidence at FBI McAllen Residential Agency.

On July 15, 2022, CHS traveled to RESIDENCE where CHS met with TANGUMA. CHS was wearing a recording device. CHS discussed criminal matters with TANGUMA. CHS paid TANGUMA \$1,000.00 for 28.7 grams of crack cocaine. CHS met with FBI SA's and submitted the 28.7 grams of crack cocaine to them. SA's submitted the crack cocaine into evidence at FBI McAllen Residential Agency.

A total of approximately 35.7 grams of crack cocaine, a schedule II controlled substance.
